STEVENS CREEK CHURCH HISTORY

On November 29, 1987, 24 people gathered in a borrowed living room in Edgefield County, SC with a bold, yet simple, dream: to reach people who are far from God with the message of hope in Christ. Although they did not know where they were going, they had faith that God was opening the door. The church was then named Church of the Harvest. Just 7 months later, they moved into a church building on Old Petersburg Road.

In 1992, the church held the very first contemporary service in the Augusta area. With a goal to reach even more people in our community, Church of the Harvest moved into Stevens Creek Elementary and purchased 18 acres of land on Stevens Creek Road. After asking God to provide land for a permanent location, Pastor Marty found a plot of land near Evans to Locks Road. This land had no road frontage, but providentially, the owner of the Stevens Creek Road property just happened to be driving down a private dirt road at the same time. The owner invited Pastor Marty to view his property, and said that his mother had always prayed this land would be used for God's purposes. We purchased the property and the rest is history. The church then changed the name to Stevens Creek Church.

In January of 2009, Stevens Creek Church began what would be a long-standing biannual tradition. Calling it the "Awakening," we took on our very first season of 21 Days of Prayer by seeking God for His direction about the year ahead for three weeks. We have honored that tradition in prayer and fasting every August and January since. As we have devoted ourselves to prayer, we have seen God move in miraculous ways over and over. We are empowered to be the church God has called us to be when we make prayer one of our highest values. In the fall of 2009, we witnessed an extraordinary display of God's faithfulness when 96 people went public with their faith at our Baptism Celebration. The energy in the room was palpable as there were two baptism pools being used simultaneously and the room was packed with family members and church members celebrating those who had stepped across the line of faith.

Fast forward to January of 2021, the Lord woke Pastor Marty up in the middle of the night and put the word "Revival" in his heart. As he started to pray, this need for a revival became stronger and stronger. He believed if revival was going to take place in our community, it first has to start with revival in each of us. His prayers came to fruition with a four-night Revival. We experienced one of the most spiritually significant moments we've ever had as a church. We saw a fresh wind touch our people and the church.

To date we have a total of three campuses located in Augusta, South Augusta and Grovetown. We are in awe of how the Lord has moved through this church and are expectant for what God is going to do in the coming years.

STATEMENT OF FAITH

THE BIBLE IS THE WORD OF GOD

“All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness.” 2 Timothy 3:16

The Bible is both our guidebook for practical living and is our spiritual communication from God that provides us strength. The Bible is the inerrant, complete, inspired and unchanging word of God. At Stevens Creek Church we make the Bible a part of our daily lives by reaching through it annually as a congregation, using the One Year Bible.

JESUS IS THE SON OF GOD

“Jesus answered, “I am the way and the truth and the life. No one comes to the Father except through me.” James 14:6

Jesus is the reason for everything we do. We believe that Jesus was born of a virgin as the Son of God. We believe that Jesus was crucified for the forgiveness of the sins of humanity and that He rose from the dead three days later. Jesus was both fully man and fully God. While Jesus was a prophet, a teacher, and a good man, He is also the supernatural Son of God.

A DECISION TO FOLLOW JESUS CHANGES EVERYTHING

“All Scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness.” 2 Timothy 3:16

“For whoever wants to save their life will lose it, but whoever loses their life for me will find it.” Matthew 16:25

In a culture that sees various methods of avenues to be connected to God, Stevens Creek Church believes that Jesus is the only way to access forgiveness and eternal life in God. We believe that every person is born into sin; believing in and accepting the grace of Jesus is the only way to gain forgiveness from sin. Every person can be forgiven and born again.

BELIEVERS CAN AND SHOULD BE FILLED WITH THE HOLY SPIRIT

“But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.” Acts 1:8

While forgiveness comes from our relationship with Jesus, we believe that our relationship with the Holy Spirit provides us the power to live our lives focused on Jesus. Stevens Creek Church believes in the Holy Spirit as the third member of the Trinity. The Holy Spirit is our best friend, our guide, our comforter and our strength. We believe that our lives can be filled with the Holy Spirit. Lives lived this way are evidenced by fruit of the Spirit and the gifts of the Spirit found in scripture.

WHAT WE BELIEVE: CHURCH OF GOD

The Church of God believes the whole Bible to be completely and equally inspired and that it is the written Word of God. The Church of God has adopted the following Declaration of Faith as its standard and official expression of its doctrine.

- In the verbal inspiration of the Bible
- In one God eternally existing in three persons; namely, the Father, Son, and Holy Ghost.
- That Jesus Christ is the only begotten Son of the Father, conceived of the Holy Ghost, and born of the Virgin Mary. That Jesus was crucified, buried, and raised from the dead. That He ascended to heaven and is today at the right hand of the Father as the Intercessor.
- That justification, regeneration, and the new birth are wrought by faith in the blood of Jesus Christ.
- In sanctification subsequent to the new birth, through faith in the blood of Christ; through the Word, and by the Holy Ghost.
- Holiness to be God’s standard of living for His people.
- In the baptism with the Holy Ghost subsequent to a clean heart.
- In speaking with other tongues as the Spirit gives utterance and that it is the initial evidence of the baptism of the Holy Ghost.
- In water baptism by immersion, and all who repent should be baptized in the name of the Father, and of the Son, and of the Holy Ghost.
- Divine healing is provided for all in the atonement.
- In the Lord’s Supper and washing of the saints’ feet.
- In the premillennial second coming of Jesus. First, to resurrect the righteous dead and to catch away the living saints to Him in the air. Second, to reign on the earth a thousand years.
- In the bodily resurrection; eternal life for the righteous, and eternal punishment for the wicked.

Stevens Creek Church Policy and Procedures

Human Resources & Administration	Subject: BACKGROUND CHECKS
Purpose: Define the policy for volunteer and staff background checks	Page: 1 of 1
Application: All Staff and Volunteers	
Responsibility: Human Resources Department Administration: Stacy L. Lewer	Revised: 9/15/21

POLICY

One of the most effective ways to prevent sexual misconduct is by carefully screening all church employees and volunteers – especially those who will work with children or students. Screening can deter predators and allow the church to eliminate inappropriate candidates.

National criminal background and sexual offender registry checks are required on:

- All paid youth/child/nursery workers and anyone, including volunteers, who works one-on-one in the area of discipleship and mentoring
- Anyone, including volunteers, who is involved in any overnight trips or events
- Anyone, including volunteers, who has access to electronic records of minors

It will be the policy of Stevens Creek Church to run background checks for all volunteers who will have access to children and student areas and activities or records. Background checks will also be run on all prospective employees.

PROCEDURES

To begin screening, the candidate will receive an email generated through Planning Center Online (PCO) to perform a background check through a professional screening service.

Human Resources & Administration	Subject: CONFLICT OF INTEREST
Purpose: Define the policy for the church's conflict of interest policy	Page: 1 of 1
Application: All Staff and Church Elders, Leaders and Staff Family Members	
Responsibility: Human Resources Department Administration: Stacy L. Lewer	Revised: 9/15/21

POLICY

No Stevens Creek Church insider (elder, church leader, staff, staff family members, or any other person who is acting on the church's behalf) shall use his or her position, or knowledge gained there from, in such a manner that a conflict between the interest of the church or any of its ministries and his or her personal interests arise.

PROCEDURES

Effective ministry service and wise stewardship depends on deliberate, thoughtful, and prayerful fiduciary decision-making which will always be in the best interest of Stevens Creek Church – whether the decisions involve far-reaching matters of organizational policy, approval of major transactions, or the management and reporting of church finances.

All actions of the Church must be performed in a manner which will not only be pleasing to the Lord, but also in a manner which would avoid any criticism by church members or the community at large. Leadership feels strongly that even the appearance of a possible conflict of interest must be avoided. Conflicts of interest, if not handled appropriately and sensitively, can do lasting damage to the church's governance and its reputation, credibility, and ability to fulfill its mission. Each church insider has a duty to place the interest of the church foremost in any dealings with the church and has a continuing responsibility to comply with the requirements of this policy.

The conduct of personal business between any church insider and the Church, or any of its ministries, is prohibited. Church insiders may not obtain for themselves, their relatives, or their friends a material interest of any kind, except for reasonable levels of compensation and benefits paid to staff, from their association with the church.

The Executive Team shall make the final decisions concerning non-compliance with these conditions. All employment decisions will be made in compliance with applicable employment-related laws.

If matters of disharmony cannot be resolved, the staff person will be given to the opportunity to resign voluntarily or be involuntarily terminated.

PROCEDURES

DISCIPLINARY ACTION FOR VIOLATIONS

Because of the many possibilities that might exist in any set of circumstances, it is not practical to set out the appropriate action for dealing with every employment problem. Actions could come from just mentioning the problem to the employee up to and including immediate termination of employment. The Church reserves the right to enter into any phase of discipline, at any time, depending on the nature and frequency of offenses. Documentation will be prepared and signed off on by the employee and supervisor and filed in the employee's personnel file. Furthermore, dismissal need not be preceded by one or more less-severe sanctions. Consultation with the Executive Team may be needed when appropriate.

Employee acknowledges that he or she will acquire considerable knowledge about, and expertise in, certain areas of Stevens Creek's business and he or she will have knowledge of, and contact with, customers and staff of Employer. Employee further acknowledges that he or she will not utilize such knowledge and expertise following termination of his or her employment.

TERMINATION

Employee will meet with Human Resources to relinquish all church property, including but not limited to; computer, key/key fob, nametag, credit card, passwords to any websites or software programs logged into on behalf of Stevens Creek Church.

Human Resources & Administration	Subject: EMPLOYMENT CLASSIFICATION AND REPORTING OF TIME WORKED
Purpose: Define the policy for classification of employees and reporting of time off	Page: 1 of 2
Application: All Staff	Effective Date: 9/15/21
Responsibility: Human Resources Department Administration: JT Black	Revised: 9/15/21

POLICY

The Human Resource Department shall maintain appropriate records of employee classifications and records documenting hours worked by all part-time employees and paid time off of all employees.

EMPLOYEE CLASSIFICATIONS

All employees are classified as either “exempt” or “non-exempt.” By law, employees in certain types of jobs are entitled to overtime pay for hours worked in excess of either hours per day or forty hours per week. These employees are referred to as non-exempt and must report all hours worked on a time sheet.

The following definitions have been established to standardize terminology and provide common understanding in our references to employees:

EMPLOYEE: A person who receives wages or salary from Stevens Creek Church and whose work this organization controls and directs.

FULL-TIME EMPLOYEE: Those employees who regularly work 40 hours or more weekly and who maintain continuous regular employment status. Regular full-time employees are eligible for benefits offered by Stevens Creek Church.

PART-TIME EMPLOYEE: Those employees who regularly work less than 40 hours weekly and who maintain continuous regular part-time employee status. Part-time employees regularly working less than 40 hours per week may be eligible for certain benefits offered by Stevens Creek Church.

TEMPORARY EMPLOYEES: Temporary employees are those whose services are intending to be for a short period of time or of limited duration, or for an indefinite period when there is no intent by Stevens Creek Church or provide regular status. Temporary employees are not eligible for benefits. If a temporary employee is subsequently hired as a regular employee date of hire will be determined by the date on which the employee becomes a regular employee.

EXEMPT EMPLOYEES: Executive, administrative, and professional employees are exempt from the Fair Labor Standards Act. Exempt employees paid on a salary basis are not eligible for and do not receive over-time payment. Exempt employees include the Lead Pastor, Executive Team, Department Heads, and Professional/Computer Employees (those whose work requires advanced knowledge, a degree, and whose work is primarily intellectual in character.) These employees must earn a minimum of \$970 per week/\$50,440 per year to be exempt.

NON-EXEMPT EMPLOYEES: Employees who are not exempt from the provisions of the Fair Labor Standards Act. Non-exempt employees include administrative assistants, musicians, interns, and nursery workers.

PROCEDURES

All non-exempt employees are required to report actual hours worked. This will be accomplished by the completion of a timesheet. This timesheet requires employees to record the actual time they begin work and when they leave work at the conclusion of the day, each and every workday. A 1-hour lunch break is included in your paid workday.

Timesheets must be signed by the supervisor in the event employees' hours exceed 5 hours above assigned hours or in the event of overtime hours. Keep a copy of your timesheet for your records. Timesheets will be returned to your supervisor for their records after payroll is processed.

Payroll is processed on the 25th of each month, therefore, all time sheets are due in the Finance Department on the 24th of each month.

Employees shall never record or sign the timesheet of another employee or knowingly allow someone else to record or sign his or her time sheet. Violations to any of these guidelines may result in disciplinary action, up to and including possible termination.

Full time employees are required to work a minimum of forty hours per week and turn in a monthly report of time off.

REPORTING OF SICK, SICKNESS IN FAMILY, AND VACATION DAYS

Monthly reporting of sick, sickness in family, and vacation days is required. All employees should use the "Request for Time Out of Office" form accessed through PCO to submit sick time, sickness in family, personal days, or vacation days used.

Paid time off hours are established for each employee in the Vacation/Holiday/Sick Policy.

Human Resources & Administration	Subject: HARASSMENT POLICY	
Purpose: Define the policy for sexual harassment	Page: 1	
Application: All Staff		
Responsibility: Human Resources Department Administration: JT Black	Revised: 9/15/21	

POLICY

Stevens Creek Church will not tolerate any form of harassment. This includes sexual harassment or any offensive conduct that has the effect of substantially interfering with an employee’s work performance or creating a pervasive, intimidating, hostile, or offensive work environment.

PROCEDURES

Stevens Creek Church has instituted the following three-step procedure for reporting and investigating allegations of unlawful harassment, including sexual harassment:

REPORTING: An employee who believes that he or she has been the victim of harassment has a duty to report it immediately to his or her supervisor or the Director of Human Resources. In all reported cases Stevens Creek Church will take reasonable steps to protect the reporting employee from retaliatory, harassing, or abusive behavior in relation to such reporting.

INVESTIGATION: The Director of Human Resources will direct the investigation of complaints. All employees are expected to cooperate with an investigation of any type of harassment. Confidentiality will be maintained to the extent permitted under such circumstances.

CORRECTIVE ACTION: After the investigation has been completed, the Director of Human Resources will make a determination regarding the resolution of the case. If warranted, appropriate disciplinary action, up to and including dismissal, will be taken.

GUIDELINES: Sexual harassment is present whenever unwelcome sexual advances, either verbal or physical requests for favors and other verbal or physical conduct of sexual nature have occurred, and submission to such conduct is either an explicit or implicit term of condition of employment submission to or rejection of the conduct is used as a basis for making employment decisions; or the conduct has the purpose or effect or substantially interfering with an individual’s work performance, or creating an intimidating, hostile or offensive work environment. Sexual harassment does not refer to occasional compliments or other conduct that is socially acceptable and does not have a discriminatory effect on the employment relationship.

Stevens Creek Church Policy and Procedures

Human Resources & Administration	Subject: INTELLECTUAL PROPERTY OWNERSHIP	
Purpose: Define the policy for ownership of intellectual property	Page: 1 of 2	
Application: All Staff		
Responsibility: Human Resources Department Administration: JT Black	Revised: 9/15/21	

POLICY

In the course of carrying out the charitable, religious, and educational purposes of Stevens Creek Church, our employees frequently create illustrations, articles, musical compositions, sound recordings, and other creative works. Those works are an important means of sharing the gospel. Under copyright law, such works that our employees create in the course of their employment are the church’s property. Church policy is to protect this property – like all the church’s assets – for the church’s future use consistent with the church’s charitable, religious, and educational purposes. As leaders and supporters of other ministries, (at our discretion) we will share with other churches and organizations. As such, we encourage our staff to be creative in developing resources that can be used as resources for other ministries to enhance the interests of the whole body of Christ.

For the purposes of this policy, “intellectual property” is any original, independent idea, writing, illustration, concept, discovery, other creation that is fixed in a tangible medium of expression. Examples include books, periodical articles, manuscripts, musical works, dramatic works, photographs, artistic and graphical works, video productions, and sound recordings. A “work” is intellectual property that one or more employees of the church create (in whole or in part) within the scope of their employment.

PROCEDURES

SHARING AND OWNERSHIP OF INTELLECTUAL PROPERTY

- Under the copyright law doctrine of “work made for hire,” intellectual property that employees create within the scope of their employment is owned by the employer. Thus, under copyright law, a work (as defined above) is the church’s property. Consequently, advance approval from the Lead Pastor is required for any transfer of ownership of a work or any use of a work for financial gain.
- The church recognizes that material our employees create might be useful to other churches and ministries. Accordingly, and subject to the foregoing paragraph and any other restrictions that might apply to a particular work, the church grants its employees a perpetual, non-exclusive, royalty-free license to present or share a

work in ways that further the gospel and are consistent with the church's charitable, religious, and educational purposes provided such use does not result in a financial gain.

- Employees who share copies of a work are required to include on the copies an indication of the church's ownership.
- If an employee learns of an opportunity for a work to be sold, copied, or otherwise used in exchange for financial compensation, the employee shall inform the Office Manager so that the matter can be presented to the Lead Pastor for his consideration.
- An employee who creates intellectual property outside the scope of his or her employment responsibilities and away from work time, retains all rights to that intellectual property. For example, books or articles that clergy create outside of their employment are not the church's property. An employee who creates intellectual property outside the scope of his or her employment is responsible and agrees that the church is not responsible for any costs or liabilities relating to that intellectual property.

Human Resources & Administration	Subject: PASTORAL HOUSING RESOLUTION & ESTIMATE THROUGH COG; LICENSING PROCESS	
Purpose: Define the policy for the church’s pastoral housing plan	Page: 1 of 2	
Application: All pastoral employees		
Responsibility: Human Resources Department Administration: JT Black	Revised: 9/15/21	

POLICY

Stevens Creek Church (SCC), 600 Stevens Creek Road, Augusta, Georgia 30907, through the action of the Church Elder Board, does hereby designate a housing allowance plan for the Stevens Creek Church pastoral staff.

It is resolved that the estimate of housing allowance as listed on the Stevens Creek Church – Estimate of Housing Allowance Form, shall apply to the current calendar year and all future years until otherwise designated.

It is also resolved that the total housing allowance is limited to the fair market value of the pastor’s primary resident plus the cost of utilities and furnishings.

PROCEDURES

The Estimate of Pastoral Housing Allowance Resolution and the Stevens Creek Church – estimate of Housing Allowance form are shown below. Once a year, pastors are asked to review their housing situation, and if changes occur, are to submit a new housing allowance estimate. The Stewardship Team and the Finance Director will approve a new housing allowance resolution for the pastor.

Creating a Valid Ministerial Housing Allowance (Memo from the Church of God Benefits Board)

The following simple steps should be taken to assure that the ministers’ housing allowance is created properly:

- The minister should determine his yearly housing costs by using the *Estimate of Housing Allowance* form (may be obtained at benefitsboard.com).
- The Estimate should be submitted to, and adopted by, the governing body of the local church and may be applied prospectively, not retroactively.

- The minister should keep careful records of all housing costs for the year.
- The minister should remember that he can receive a housing allowance for only *one* home.
- The minister's housing allowance is limited to the *least* of the (1) amount of designated by the church as housing allowance, (2) the amount actually used to provide a home, or (3) the fair rental value of the home, including furnishings and utilities.
- The minister must pay federal income taxes on any "excess housing allowance," which is reported on the line 7 of the minister's IRS Form 1040.
- The minister must pay self-employment tax (Social Security) on the entirety of the housing allowance.
- A housing allowance provision has to be adopted by the church before the minister can claim such.

SCC Licensing Process

- In order to receive a pastoral title and/or housing allotment, licensing must be obtained through COG or an approved organization. This can often be done through a licensing transfer process or testing through the North Georgia COG.
- If a license has been received from outside of COG and your position requires a license, the COG licensing requirements should begin within one year of hire.
- Online licenses are not recognized according to COG or SCC standards.
- While SCC encourages personal development and professional growth, not every role or position requires a ministerial license. It should be understood, receiving a license through the COG does not necessarily confer a new title or position with the SCC organization.

Human Resources & Administration	Subject: SOCIAL NETWORKING POLICY
Purpose: Define the policy for the church’s social networking policy	Page: 1 of 2
Application: All Staff	Effective Date: 5/24/18
Responsibility: Human Resources Department Administration: JT Black	Revised: 9/15/21

POLICY

Like the rest of the culture, churches use social networking sites like Facebook, Instagram, and Twitter to connect with people and promote outreaches and other church programs due to easy mass communication and media sharing.

There is virtually no privacy for staff when a social networking site is used. Anything posted online is available worldwide and never dies, even after the user deletes it. Even if you restrict the privacy settings or the page is password protected there are ways to access that information. Facebook, for example, retains copies of these documents according to its “Terms of Use Agreement.” Social networking sites are public and permanent which means anything from them may cause you or the church future harm.

PROCEDURES

SOCIAL NETWORKING TERMS AND CONDITIONS

Social networking has proven to be one of the best ways to communicate both needs and events of the church. At the same time, you must be careful to follow the below rules, especially avoiding the sharing of any confidential information – just use common sense.

If you have a social networking web page (Facebook, Instagram, Twitter, LinkedIn, or similar sites), and you write about any work-related activities you must agree to the following terms and conditions:

- You agree to write under your own name. Be yourself. Be nice. Be life-giving. Be positive. Avoid attacking other individuals, companies, or churches. This includes fellow employees, vendors, and members.
- You may write about the church, your job, or some aspect of church business on a regular basis.
- You agree not to disclose any sensitive, proprietary, confidential, or financial information about the church, other than what is publicly available.

- You agree not to post any material that is obscene, profane, libelous, threatening, harassing, abusive, hateful or embarrassing to another person or any person or entity.
- Own your content. Employee blog sites are not church communications. Therefore, your blog entries belong to you. They represent your thoughts and opinions. You may want to remind your readers of this fact by including the following disclaimer on your site:
“The posts on this blog are provided ‘as is’ with no warranties and confer no rights. The opinions expressed on this site are my own and do not necessarily represent those of my employer.”

You assume full responsibility and liability for all actions arising from your social media activities.

Human Resources & Administration	Subject: STAFF CHILD CARE POLICY
Purpose: Define the policy for use of Stevens Creek Church employee childcare	Page: 1 of 3 and attachment
Application: All Staff	
Responsibility: Human Resources Department Administration: Stacy Lewer	Revised: 9/15/21

POLICY

Stevens Creek Church provides childcare as a benefit program for employees who have childcare in preschool and younger. This benefit is free of any charge and is open to Stevens Creek Church employees only. The benefit was designed to accommodate families where both parents work outside the home, any other benefit falls outside the original intent and scope of the program. Parents may not make any in-kind donations or monetary donations.

The childcare program will run year-round except for the days listed on the Vacation/Holiday/Sick Days Policy. Hours of operation will be Monday-Thursday from 8:45 AM until 4:30 PM. The benefit is designed to accommodate families where both parents work outside the home.

PROCEDURES

Employee/parent will fill out a registration sheet each semester stating hours and days childcare is needed and all medical and other pertinent information about the child(ren). Forms will be filled out each school year.

Children should stay in childcare area and are asked to not be in work areas of the church. If you desire, you are welcome to have lunch with your child in the childcare area. All personal items such as diapers, wipes, and food are to be provided by the parents. Only parents can dispense medication.

STAFF CHILD CARE SICK POLICY

All children are asked to be fever-free for 24 hours before returning to childcare. Allergies should be clearly communicated to child care workers.

Quick Tips:

- Wash your children’s hands and faces frequently. It’s never too early to teach them how to use soap and water.

- Call your physician if there is any chance they may spread sickness. A simple call usually determines whether a doctor visit is necessary or not.

The main reasons you need to keep your child home:

- They are too sick to be comfortable in the childcare room.
- They might spread a contagious disease to other children.
- They are running a fever of 100.4 degrees or have had a fever within the previous 24 hours.

The following lists the most common illnesses and ways to treat them and may help in your decisions process:

- **Runny Nose:** A runny nose is the way many children respond to pollen, dust, or a cold virus. Minor cold or allergy symptoms should not be a reason to miss school. Many healthy children have as many as 10-12 colds per year, especially in the early school years. If the runny nose is green and in frequent need of wiping it can spread sickness, please keep your child home. Consult your child's doctor.
- **Coughing:** A cough, especially if it is persistent during the day, can indicate a worsening of cold or allergy symptoms. It may be a sign of a secondary infection (sinusitis, pneumonia), that may require medical treatment. It may also indicate mild asthma. If your child's cough is worse than you might expect with a common cold, you need to consult your physician.
- **Diarrhea and Vomiting:** Diarrhea and vomiting make children very uncomfortable, consult your doctor and keep your child at home. Your child may return after they have had 24 hours without vomiting.
- **Fever:** Fever (considered 100.4 degrees) is an important symptom, especially when a fever occurs along with a sore throat, cough, nausea, or a rash. Your child could have a contagious illness, which could be passed to others. Your child should be free of fever for 24 hours without the use of fever reducing medicine before returning to childcare.
- **Strep Throat and Scarlet Fever:** These are two highly contagious condition caused by a bacterial infection. They usually arrive with a sudden complaint of sore throat and fever. A child with these symptoms should see the doctor and remain out of childcare until well.
- **Pink Eye or Conjunctivitis:** Pink Eye can be caused by a virus, bacteria, or allergy. Viral and bacterial conjunctivitis are very contagious. The eye will redden and cloudy or yellow discharge is present. Consult with your doctor. The child should stay at home until symptoms subside and is cleared by doctor.
- **Ear Infections:** Ear infections can cause great discomfort and often fever, but are not thought to be contagious to others. The child should see a doctor for diagnosis and treatment and should stay at home if accompanied by pain or fever.
- **Flu:** Flu is a highly contagious virus that usually occurs in the winter months. Symptoms include: body aches, high fever, chills, congestion, sore throat, and in some children, vomiting. The child should be kept at home until these symptoms subside. Consult your doctor for treatment and length of recovery.
- **Impetigo:** Impetigo is a staph or strep infection that creates a red, oozing blister-like rash that appears anywhere on the body or face. It can be passed on to others by contact.

Consult your doctor for treatment and length of recovery. The child should remain at home until cleared by a doctor.

- **Chicken Pox:** Most children have received the Varicella vaccine which should prevent them from getting chicken pox. Chicken pox is a highly contagious viral illness. It causes fever and an itchy rash, which spreads quickly all over the body, changing from red bumps to blister-like lesions. Consult your doctor and keep child at home.
- **Mites and Lice:** Mites are tiny insects that burrow into the skin and cause severe itching. Lice are tiny parasites similar to ticks that thrive on the warm scalp and also cause itching. Both should be treated immediately with advice from your doctor. Child should be kept at home until cleared by a doctor.

One of the benefits of having your children in a smaller environment drastically reduces the likelihood your child will become sick. These guidelines will help maintain the health and well-being of our children here at the church. These are the same guidelines that local schools and day care facilities follow and will help you decide whether or not your children are well enough to attend daycare without the possibility of spreading infection and disease. Please keep in mind that these are young children and their bodies are still learning how to fight infection. Feel free to inform the childcare worker of anything you hear from your doctor.

Parents are encouraged to make suggestions as needed to ensure Stevens Creek Church is providing a safe and happy environment for your children. We are glad to be partnering with you and your children.

The Stevens Creek Church Childcare Program is exempt from licensing bases on Exemption Rule 591-1-46 (b) Exemption Category Number 13: Any program providing group care for children for no pay.

STAFF TITHE POLICY:

As staff members at Stevens Creek Church, we commit to engage in the Scriptural practice of tithing. This is not only for our benefit, but to model this behavior to the people we lead. We believe tithing is a recognition that everything we have comes from God. The practice checks our greed, promotes personal discipline and thrift, testifies to our faith, promotes God's work in the world, and alleviates human need. While we do not believe tithing to be a condition of salvation, we do believe it is a very important biblical model, one which should set the minimal standard for Christian giving for people in all income ranges.

FINANCIAL POLICIES & PROCEDURES

Stevens Creek Church Policy and Procedures

Finance	Subject: ANNUAL BUDGET PROCESS	
Purpose: Define Stevens Creek Church's annual budgeting process	Page: 1 of 2	
Application: All Staff associated with church financial transactions		
Responsibility: Finance Department Administration: Sarah L. Landrum	Revised: 9/15/21	

POLICY

Stevens Creek Church leadership feels strongly that the general operating budget of the church needs to be the primary source of giving to fund the ministries of the church. Unified budget giving allows the entire church family to participate together in the fulfillment of the ministry plans and programs for that year.

PROCEDURES

The budget is one of the most important internal controls when it is effectively prepared and monitored on a monthly basis. When leadership carefully monitors variances from the budget, the likelihood of a large misstatement on misappropriation is considerably reduced. This overall review of the budget is very important. The Lead Pastor, the Stewardship Team, Management Team, and the Executive Pastor of Operations are free to ask any questions regarding any items which appear to be significantly out of line. Variances need to be promptly investigated and budgets adjusted accordingly before potential problems arise.

The annual operating budget process timeline is as follows:

- Prepare preliminary budget guidelines, personnel classifications, and associated pay scales. Responsibility: Executive Pastor of Operations (August).
- Discuss upcoming raises and possible new staffing requests for new budget year. Results given to Executive Pastor of Operations. Responsibility: Leadership Team (September).
- Prepare preliminary income regression analysis. Responsibility: Stewardship Team.
- Begin work on Personnel, Payroll, and Administrative Budget. Responsibility: Executive Pastor of Operations (October).
- Review administrative expense budget (fixed costs) and determine ministry budget amounts and percentages. Responsibility: Executive Pastor of Operations and Accountant (end of October).

- The Finance Department will provide guidance to ministry areas in their budget preparations by establishing an income and expenses forecast for the coming year. The Finance Department will provide a preliminary budget and previous year's actuals to Management Team. Responsibility: Executive Pastor of Operations and Accountant (first part of November).
- Create preliminary ministry budgets and return to Executive Pastor of Operations. Responsibility: Management Team (middle of November).
- Review ministry budgets, make final adjustments. Responsibility: Executive Pastor of Operations and Lead Pastor (end of November).
- Forecast ministry budgets by month and return to Executive Pastor of Operations. Responsibility: Management Team (first of December).
- Review new budget and finalize. Responsibility: Stewardship Team, Executive Team, and Executive Pastor of Operations (middle of December).
- Perform ongoing budget reviews. Responsibility: Executive Pastor of Operations and Accountant.
- Obtain re-quotes on health/disability/life insurance, property insurance, copies, telephones, etc. Responsibility: Executive Pastor of Operations (ongoing).

Finance	Subject: CASH DISBURSEMENTS	
Purpose: Define the policy for cash disbursements and accounts payable	Page: 1 of 2	
Application: All Staff associated with church financial transactions		
Responsibility: Finance Department Administration: Sarah L. Landrum	Revised: 9/15/21	

POLICY

Paying Stevens Creek Church’s financial obligations in a timely manner not only produces confidence in the church’s fiscal responsibility and procedures, but also serves as a testimony to the business community. Proper internal controls will be followed to ensure that only valid and authorized payables and services are recorded and paid. Accounting procedures will be implemented to ensure the accuracy of amounts, validity of transactions, coding of proper accounts, and appropriate timing of payments. A limited number of individuals will be authorized to sign checks but there shall be no fewer than three individuals at all times. All disbursements of church funds will be by check, credit card, or ACH transactions.

PROCEDURES

All disbursements will proceed as follows:

- The Operating Budget will serve as the guide to determine the availability of funds when a cash disbursement request is made.
- The Management Team is allowed to spend up to their monthly budget allotment, which was determined in the budget process. The individual must receive prior approval from the Executive Pastor of Operations when needing to exceed that budget allotment.
- If monthly income falls below budgeted forecast for a period of three months, the Executive Pastor of Operations will adjust budgets accordingly and notify the Management Team of their adjusted budget.
- If it becomes necessary to significantly exceed disbursements in a budget area, a request must be made to the Executive Pastor of Operations prior to the obligation of expenditures. The request will then be presented to the Lead Pastor and/or the Executive Pastor of Operations. Recommendations will be made as to where a budget revision can be made or if the request will need to be taken to the congregation for approval.

- The costs of providing the various program services and supporting/fixed costs of the church will be recorded on a departmental basis in the church's accounting system (QuickBooks).
- Every check that is written must be accompanied by a source document: a receipt, an invoice, Employee Expense Report, or Expenditure Request/Check Request form. In the case of regularly scheduled payments, such as payroll, payroll taxes, and debt retirement, the budget may serve as the source department.
- The Accounts Payable system in QuickBooks is designed to record and maintain accounts by department and prepare computer generated checks, records the application of manually prepared checks, and provide reports to leadership regarding the financial status of the church.
- Employee Expense Reports are to be submitted as documents in the Accountable Reimbursement Plan located in the Financial Policies and Procedures.
- An Expenditure Request/Check Request form must be submitted for all disbursement requests over \$500 whether the expenditure is paid by check or credit card. Expenditure Request must be submitted to the Finance Department at least one week prior to the date that funds are needed. The budget will be checked for availability of funds then you will be notified upon approval or disapproval of your request. All requests must be approved by the Executive Pastor of Operations.

Finance	Subject: CASH RECEIPTS, DEPOSITS, & ACKNOWLEDGEMENT OF CHARITABLE CONTRIBUTIONS	
Purpose: Define the policy for cash receipts and deposits and to provide written acknowledgement to contributors for tax deductible purposes	Page: 1 of 2	
Application: All Staff associated with church financial transactions		
Responsibility: Finance Department Administration: Sarah L. Landrum	Revised: 9/15/21	

POLICY

Voluntary contributions received as tithes and offerings from members and friends will be the primary source of support for Stevens Creek Church. These contributions will be collected, deposited, and accounted for in an accurate, timely, and confidential manner. No gift will be accepted where there is not obvious charitable, educational, or religious intent on the part of the donor.

Donations to the church will be accepted for unrestricted use. Designated gifts, unusual gifts, gifts that have conditions attached, must be reviewed by the Lead Pastor and the Executive Pastor of Operations or the Stewardship Team.

To ensure that all gifts accepted by the church further the mission or goals of Stevens Creek Church, do not conflict with the church's ethical values and principles, and are accepted in accordance with sound business and fiscal practices, the Stewardship Team will provide primary oversight to the acceptance of all church contributions.

This policy will also outline the procedure for providing donors with written acknowledgement of their tax-deductible contributions to Stevens Creek Church.

PROCEDURES

All funds received by the church in the form of donations shall be processed as follows:

- For the protection of both the contributions collected and the reputations of those who handle the funds, care will be taken to assure that cash collections are always under the control of at least two unrelated trustworthy individuals. An adequate number of ushers will be maintained so that their duties and assignments can be rotated on a periodical basis. During the receiving of offerings, at no time shall one usher be left alone with the offerings from his assigned area in the auditorium, atrium, or video venue, he will wait in public view until all ushers have completed their assigned areas. They must wait in open

view and escort their offerings with other ushers and the usher Team Leader. The First Impressions Director, Coordinator, or Team Leader is responsible for ensuring that all offering collected is accounted for.

- A minimum of two designated ushers will collect the offering and transfer donations to envelopes marked with the date and time of service. The envelopes will then be placed by two ushers in the church safe in the Finance Department.
- The Finance Department will summarize and accurately record all gifts in the church's accounting system (QuickBooks) and donor database (SecureGive/Planning Center) on a timely basis, usually the first business day following the services. Secure Give contribution summaries will be printed and filed.
- A weekly summary report entitled "Financial Status" will be provided to the Lead Pastor and Stewardship Team by the Executive Pastor of Operations.
- All financial accounts will be maintained through First Citizens Bank.

WRITTEN ACKNOWLEDGEMENT OF DONATIONS TO CONTRIBUTIONS

Federal law dictates that churches that receive tax-deductible charitable contributions and taxpayers who make contributions must abide by recordkeeping and substantiation rules imposed on donors of charitable contributions and disclosure rules imposed on charities that received contributions.

- A donor must have written communication from the church for any monetary contributions before the donor can claim a charitable contribution on his/her federal income tax return.
- A donor is responsible for obtaining a written acknowledgment from the church/charity for any single contribution of \$250 or more before the donor can claim a charitable contribution on his/her federal income tax return.
- A charitable organization is required to provide a written communication/acknowledgement to the donor showing the name of the church, the date of the contribution, and the amount of the contribution. Stevens Creek Church provides quarterly giving statements to all contributors and also provides annual giving statements to donors no later than January 31 for the previous year's contributions.
- A donor may request a current giving statement at any time throughout the year or printed by the individual through their personal Planning Center profile.

RS Publication 1772, *Charitable Contributions-Substantiation and Disclosure Requirements*, provides in-depth information regarding recordkeeping rules and written acknowledgements.
